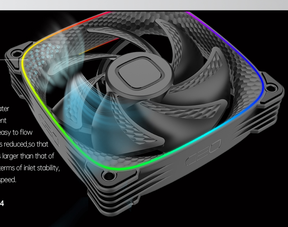
2503B Squama

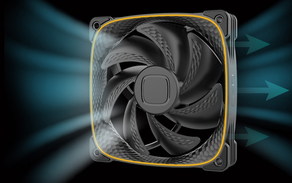
Thin black frame fan with double-sided fine ring lighting effect,is elegant and unique.



Aerodynamic Squama principle

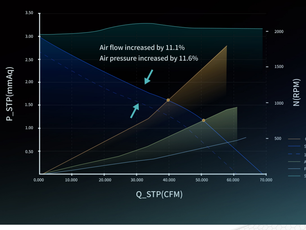
Laminar boundary layer is prone to flow separation, resulting in greater resistance.While the Squama dents is added the outer frame,the dent promotes turbulence transition.The turbulent boundary layer is not easy to flow separation,thus the resistance of the flowing air in the outer frame is reduced,so that the air flow speed increases.The frictional resistance of turbulence is larger than that of laminar flow,therefore Therefore, a better state can be obtained in terms of inlet stability, and the noise reduction effect of blade and frame is better at high speed.

Product utility model patent number: ZL 2021 2 0297777.4
Product appearance patent No: ZL 2021 3 0074876.1



Patented squama particles, both texture and efficiency!

2503 Fan &Air Cooled &liquid Cooled &PC Case System

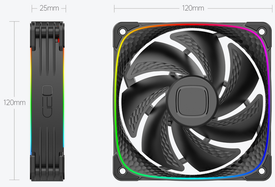


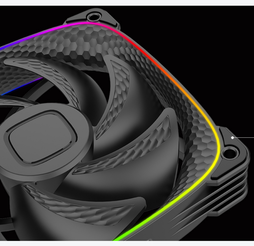
Dynamic balance adjustment

The fan is adjusted by global dynamic balance for better protection of product performance and service life.

SPECIFICATION

Package	Single Pack	Triple Package
Type	Squama 2503B	Squama 2503B
Fan Dimensions (L*w*h)mm	120 x 120 x 25mm	120 x 120 x 25mm
Color	BLACK	BLACK
Materials	PBT\PC\TPE	PBT\PC\TPE
Speed Mode	2000RPM(max)	2000RPM(max)
Airflow (Cfm)	69.11CFM	69.11CFM
Air Pressure (Mmh2o)	2.92 mmH_2O	2.92 mmH_2O
Noise Level (Dba)	29dBA (max)	29dBA (max)
Motor Rated Voltage (V)	12V	12V
Motor Rated Current(A)	0.16A	0.16A
Argb Rated Voltage (V)	5V	5V
Argb Rated Current(A)	0.53A	0.53A
Argb Rated Power(A)	2.65W	2.65W
Led Interface	3-PIN	3-PIN
Power Interface	4-PIN	4-PIN
Packing Includes	Squama 2503B Fan x 1 Screws x 4 PWM extension cord x 1 ARGB extension cord x 1	Squama 2503B Fan x 3 Addressable RGB controller x 1 Screws x 12 PWM extension cord x 3 ARGB extension cord x 3
Warranty	Two-year Limited Warranty	Two-year Limited Warranty





Four corners textured shockproof rubber stands design.

Addressable RGB ARGB motherboard synchronization, and your lighting effect is up to you.

The exclusive magnetic lighting effect controller makes you switch the Addressable RGB lighting effect at will.The lights vary according to your will which makes you feel good.The triple pack includes an addressable RGB controller, but the single pack have no controller.
